

Stonewall Resort – The Region’s Finest Vacation Retreat & State-of-the-Art Conference Center

Situated within the 2,000-acre Stonewall Resort State Park and combining rustic grace, world-class recreation and superior hospitality, the AAA-Four Diamond rated Stonewall Resort is fast becoming the region’s premier vacation and conference destination. The resort became fully operational in 2002.

The Adirondack lodge at Stonewall sits lakeside and provides its 198-rooms, restaurant/lounge, Spa, indoor/outdoor pool, fitness center and meeting facilities with views that soothe the soul and free the spirit. For meetings, gatherings or special occasions, the resort’s 22,000-square feet of conference space can accommodate any function.

Across the lake from the lodge sit ten beautifully appointed 2-, 3- and 4-bedroom saltbox-style resort cottages for those who desire a more private respite.

Stonewall Jackson Lake, 26 miles long with 82 miles of shoreline, is comprised of secluded coves and private fingers affording the boater or fisherman access to unmatched fishing and days of exploration. Little Sorrel, the resort’s 100-passenger excursion boat, provides regular lake tours. Houseboats and smaller watercraft are available for rental and are the perfect way to enjoy the lake experience.

Championship golf rises from the lakeshore and into the hills surrounding the resort compound. The Arnold Palmer Signature Golf Course has been honored by Golf Digest, Golf Magazine and Golfweek as one of the best courses in the nation.

World-class hunting can be found in the 18,000-acre Wilderness Management Area adjacent to the resort during the appropriate seasons, and nature trails for hiking and biking crisscross the park grounds.

Stonewall Resort provides a four-season, relaxing escape from the everyday world and is located approximately three-miles off of Interstate 79, the major North/South route through West Virginia, at Exit 91 (Roanoke).
