## SPA POLICIES

### • *Reservations*

Wondering when you should call us? During the peak season (summer/fall) we recommend reservations 4-6 weeks in advance. If you've forgotten, just call us when you arrive to check availability. Reminder that weekends are usually booked first while weekdays offer a bit more flexibility. A credit card is required to secure the spa reservation. We have both male and female service providers, and you will be scheduled with either unless you state your preference.

### • *Cancellations*

We value your business and appreciate your cooperation with our cancellation guidelines. If you must cancel or change your spa reservations, please notify us at least 24 hours prior to your scheduled appointment time to avoid a cancellation charge. We strictly adhere to a 24-hour notice and cancellations made with less than a 24-hour notice will be charged full value of the service. No-shows will be charged in full, plus gratuity.

### • *Arrival and check-in procedure*

Please arrive at least 20 minutes prior to your spa services to complete required forms. If you are a guest of the resort, we encourage you to leave valuables and personal belongings in your room.

Arriving late will limit the time of your treatment. Your treatment will end at the scheduled time. The full value of your treatment will be charged.

### • *Gratuities*

Service Prices listed do not include gratuity unless otherwise noted. For your convenience a 20% service charge is automatically added to your bill and distributed to the staff. Additional gratuity is at your discretion.

### • *Special Considerations*

Guests who have high blood pressure, heart conditions, allergies or have any other medical complications are advised to consult with their physicians prior to reserving any spa treatments. Please make your service provider aware of any medical condition. Expectant mothers may be restricted to specific types of treatment or receive modified treatments, depending on their stage of pregnancy.
